

# John and Polly Sparks Early Career Grant for Psychologists Investigating Serious Emotional Disturbance (SED)

Up to \$22,000 for research in the area of early intervention and treatment for serious emotional disturbance in children.

**Deadline:** April 15, 2023

**Sponsor:** APF (/apf)

[Description \(javascript:void\(0\);\)](#) [Eligibility \(javascript:void\(0\);\)](#) [How to Apply \(javascript:void\(0\);\)](#) [Past Recipients \(javascript:void\(0\);\)](#)

## Description

The John and Polly Sparks Early Career Grant supports early career psychologists conducting research in the area of early intervention and treatment for serious emotional disturbance in children.

The John and Polly Sparks Foundation partnered with APF to empower early career psychologists to produce scientifically-based research and programs that could provide models for broad-based applications across the country.

## Evaluation criteria

Proposals will be evaluated on:

- conformance with stated program goals and qualifications
- quality and impact of proposed work
- innovation and contribution to the field with proposed project
- applicant's demonstrated competence and capability to execute the proposed work
