

BARD

CALL FOR PROPOSALS 2025

Research Grants

Funds projects conducted cooperatively by US and Israeli scientists. Covers all phases of agricultural R&D including strategic or applied research.

Maximum award: \$310,000

Award duration: 3 years

Next submission date: September 16, 2024

[Guidelines](#)

Postdoctoral Fellowship

Funds postdoctoral fellowships for citizens from one country (U.S. or Israel) to perform agricultural research with established scientists in the other country.

Maximum award: \$64,000

Award duration: 1-2 years

Next submission date: January 15, 2025

[Guidelines](#)

Pioneer Funding Track

A new track to support projects that have the potential of creating significant impact on the agricultural community. The panels for the 2025 submission are **Crop Production, Crop and Soil Health, Crop Modeling and AI for Agriculture, and Aquaculture.**

Maximum award: \$600,000

Award duration: 3 years

Next submission date: September 16, 2024

[Guidelines](#)

Aquaculture and Desert Farming

Funds projects conducted cooperatively by US and Israeli scientists. This program covers land-based aquaculture systems, fish and seafood breeding programs, algae farming and desert farming research.

Maximum award: \$310,000 or \$600,000 for a 3-year grant

Award duration: 3 years

Next submission date: September 16, 2024

[Guidelines](#)

Graduate Student Fellowship

The program enables Ph.D. students in one country (U.S. or Israel) to travel to the other country to acquire new skills and techniques in their field of study.

Maximum award: \$1,500 per month and \$2,000 to cover travel

Award duration: 2-6 months

Next submission date: January 15, 2025

[Guidelines](#)

Senior Research Fellowship

The program promotes joint agricultural research between established scientists from the U.S. and their Israeli hosts.

Maximum award: \$3,000 per month plus a onetime allocation of \$2,000 for travel

Award duration: 2-12 months

Next submission date: January 15, 2025

[Guidelines](#)

Workshops

Funds workshops whose purpose is to identify research needs and to promote increased contact between scientists throughout the world in areas related to the binational agricultural interests of the U.S. and Israel.

Maximum award: \$45,000

Next submission date: January 15, 2025
