## Applications Timeline and Further Details

**Funding Period:** January 15, 2023 – January 15, 2025

**Amount:** \$250,000 for entire grant period. (Indirect costs cannot exceed 10% and the entire grant cannot exceed \$250,000.)

**Eligibility:** The Foundation must be associated with an academic or medical institution possessing a tax-exempt status under section 501(c)(3) of the IRS code.

**We are not accepting applications from students.**

Please do not submit the same grant application to the DeGregorio Family Foundation as from a previous grant cycle unless the Foundation has specifically requested that you do so.

Research projects must not be funded currently under a separate mechanism. Research projects are selected through a rigorous review process. The Foundation’s application review process is guided by its Scientific Advisory Board headed by Dr. Manish A. Shah.

**We wish all the applicants luck and we hope to announce winners by mid-January 2022.**

**Accountability:** Funding will be divided into three installments. The first installment will be provided when appropriate institutional approvals are submitted and the study is underway. The 2nd installment is contingent upon submission and review of an interim report at 1 year, the 3rd installment will be contingent upon submission and review of an interim report at 2 years. A final study report must be completed.

**Any publications or presentations resulting from this research must be acknowledged.**

Any questions should be sent in writing to [shah@degregorio.org](mailto:shah@degregorio.org) and will be answered in an expeditious manner.
