Apply For Funding

Funding

In line with the charity's mission of assisting in the relief of people with diabetes, DRWF is offering financial support for a selected number of proposals and projects connected with diabetes research. The maximum available for each project is \$50,000 per year for a maximum of two years.

We offer Research Grants and Educational Grants. The deadlines for applications are June 30th and December 30th for each year. Read more on our [guidelines](#). All proposals, requests, and reports should be mailed or emailed to the following address:

Diabetes Research and Wellness Foundation®

Attn: Executive Director

1832 Connecticut Avenue, NW

Suite 420

Washington, D.C. 20009

E-mail: diabeteswellness@diabeteswellness.net
