#### Next EREF Scholarship Application:

- Available December 15, 2023
- Deadline: March 1, 2024

There are currently no open competitions. Please check back later, or browse the calendar for other events.

# **EREF Programs**

## **Grants Program**

The EREF is the only private, grant making institution with a national and international scope whose sole mission is to support solid waste research and education initiatives. Our research grants program is led by our Research Council, a body of volunteers consisting of technical experts in industry, academia and consulting.

## **Scholarship Program**

Scholarships are awarded by EREF to recognize excellence in master's and doctoral waste management research and education. Applications from students outside the United States or studying abroad will receive equal consideration.
