## Award for Innovative Mindset (AIM)

The Award for Innovative Mindset (AIM) supports the initial exploration of innovative, high-risk, high-gain, and potentially ground-breaking concepts in FA research, that will foster new

proposed research project should include a well-formulated, testable hypothesis based on strong scientific rationale and study design.

Research that is an incremental advance upon published data is not consistent with the intent of this award mechanism. It is the responsibility of the Principal Investigator (PI) to clearly and explicitly articulate how the proposed research project is innovative in the field of FA.

Maximum Budget (USD): \$100,000 for 1 year

### **Deadlines and Important Dates:**

- Letter of Intent (LOI) Deadline: N/A
