# Research Scholar Program

The Research Scholar Program aims to support early-career professors who are pursuing research in fields relevant to Google.

The Research Scholar Program provides unrestricted gifts to support research at institutions around the world, and is focused on funding world-class research conducted by early-career professors.

## PROGRAM STATUS

[Applications are now open.](#)

Submit by 11:59:59pm UTC- December 1, 2022.

Notification of decisions will be announced by email in April 2023.

[Submit application](#)

## Award information

We encourage submissions from professors globally who are teaching at universities and meet the eligibility requirements. It is our hope that this program will help develop collaborations with new professors and encourage the formation of long-term relationships.

Awards are disbursed as unrestricted gifts to the university and are not intended for overhead or indirect costs. They are intended for use during the academic year in which the award is provided to support the professor's research efforts.

## Eligibility criteria

How do I  
apply for  
the  
Research  
Scholar  
Program?

### Step 1:

Read advice  
on how to  
write a good  
proposal  
[here](#).

### Step 2:

Write your  
proposal  
using the

• Applicants must be a full-time assistant, associate, or professor at a university or degree-granting research institution.

advice
