

Apply for Pilot Award 2025

Pilot Award Submission Dates and Times

March 21, 2025: Deadline to submit your letter of intent (LOI) for Pilot and Established Investigator Awards. LOIs should be submitted to grants@lmiresearch.org by 11:59 PM CST.

March 26, 2025: Invitations will be extended to select investigators to submit a full grant application.

May 30, 2025: Deadline for invited investigators to submit their grant proposals. Proposals should be submitted to grants@lmiresearch.org by 11:59 PM CST.

August 31, 2025: Applicants will be notified by this date. Once the paperwork has been signed, funding is anticipated to begin October 1, 2025.

LMI Pilot Award Application Information:

Funding level: Maximum of \$75,000 may be requested

Period: Up to 1 year of support is available

Description: Pilot awards are intended to test new hypotheses or technologies that have the potential to significantly advance our understanding and/or treatment of CCLA, GLA, GSD, or KLA. Preliminary data are required.

Areas of interest include, but are not limited to, genetic analysis, biomarker identification, preclinical model development and characterization, imaging, and single-cell RNA sequencing of animal or patient samples.

LOIs are due by March 21, 2025. LOIs should be submitted to grants@lmiresearch.org by 11:59 PM CST.

Invitations for full application will be sent by March 26, 2025. Full applications are due May 30, 2025.

Feel free to contact Mike Dellinger at mdellinger@lmiresearch.org or michael.dellinger@utsouthwestern.edu if you have any questions.
