

## Research Grants

### Research Grants

#### Translational Research Program

#### Specific Defect Research Program

#### C.H.I.L.D.R.E.N!®

- Relevance to advancement of the work

### Award Information

The number of awards per cycle will be dependent on the strength and merit of applications received and the availability of funds. Individual awards may total up to \$250,000 over a two-year period. Funds are not to exceed \$125,000 per year per project. Total funds will only support direct costs and cannot be used for institutional overhead. JMF reserves the right to reduce the award amount for any application. To date, a total of 23 grants have been awarded throughout 12 grant cycles.

### Application Deadlines

- Cycle 13 Start Date - January 20, 2025
- Letter of Intent Deadline - March 12, 2025
- Full Application Deadline (*for invited investigators*) - July 23, 2025
