Funding Guidelines for May 3, 2023 Deadline

RSF will accept letters of inquiry (LOIs) under all of its core programs and special initiatives: [Behavioral Science and Decision Making in Context](#); [Future of Work](#); [Immigration and Immigrant Integration](#); [Race, Ethnicity and Immigration](#); [Social, Political, and Economic Inequality](#). In addition, RSF will also accept LOIs relevant to any of its core programs that address the effects of social movements, such as drives for unionization and mass social protests, and the effects of racial/ethnic/gender bias and discrimination on a range of outcomes related to social and living conditions in the United States.

LOIs must include specific information about the proposed data and research design. After peer review, about 15% of those who submit an LOI will receive an invitation to submit a proposal. If you are unsure about the foundation's expectations, we strongly recommend that you review the [grant writing guidelines](#) on our website and also view an instructional webinar. Successful proposals from this round can have a start date on or after July 1, 2023.

***ALL applications (LOIs & Proposals) are due by 2pm ET/11am PT**
