## Core Research Grants ([Core Programs](#) and [Special Initiatives](#))

### Funding Guidelines for July 24, 2024 Deadline

RSF will accept letters of inquiry (LOIs) under all of its core programs and special initiatives: [Behavioral Science and Decision Making in Context](#); [Future of Work](#); [Immigration and Immigrant Integration](#); [Promoting Educational Attainment and Economic Mobility among Racially, Ethnically, and Economically Diverse Groups after the 2023 Supreme Court Decision to Ban Race-Conscious Admissions at Colleges and Universities](#); [Race, Ethnicity and Immigration](#); [Social, Political, and Economic Inequality](#). It will also accept LOIs relevant to its core programs that address the effects of social movements, such as drives for unionization and mass social protests, and the effects of racial/ethnic/gender bias and discrimination on a range of outcomes related to social and living conditions in the U.S.

LOIs must include specific information about the proposed data and research design. After peer review, about 15% of those who submit an LOI will receive an invitation to submit a proposal. If you are unsure about the foundation's expectations, we strongly recommend that you review the [grant writing guidelines](#) on our website and also view an instructional webinar. Successful proposals from this round can have a start date on or after January 1, 2025.

**\*ALL applications (LOIs & Proposals) are due by 2pm ET/11am PT**
