Overview of the grant conditions**Grants**

- Duration: 1 to 4 years

Applicants

- No less than 2 and no more than 4 applicants may apply together for a Sinergia grant.
- The consortium as a whole must have adequate experience in managing research projects.
- One applicant must be designated as the legal representative of all applicants vis-à-vis the SNSF. If the grant is approved, this applicant becomes the corresponding grantee. This person may not be outside Switzerland. The grants are paid to the institution at which the corresponding grantee is employed. The corresponding grantee is responsible for forwarding the funds.

Project partners

- They contribute to the research project through cooperation with the consortium,
