

FUNDING OPPORTUNITIES

John and Polly Sparks Early Career Grant for Psychologists Investigating Serious Emotional Disturbance (SED)

The John and Polly Sparks Early Career Grant supports early career psychologists conducting research in the area of early intervention and treatment for serious emotional disturbance in children.

Deadline: April 24, 2024

Amount: Up to \$22,000

Sponsors: APF, The John and Polly Sparks Foundation

[Apply Online](#)

The John and Polly Sparks Early Career Grant supports early career psychologists conducting research in the area of early intervention and treatment for serious emotional disturbance in children.

The John and Polly Sparks Foundation partnered with APF to empower early career psychologists to produce scientifically-based research and programs that could provide models for broad-based applications across the country.

Eligibility

APF encourages applicants from diverse backgrounds with respect to age, race, color, religion, creed, nationality, ability, sexual orientation, gender, and geography.

Applicants must be early career psychologists (no more than 10 years postdoctoral with a degree from an accredited university)

Application Instructions

Application Materials:

- project proposal
- timeline of proposed project
- detailed budget and justification
- CV
- two letters of support (requested through application portal)

Evaluation Criteria

Applications will be evaluated on:

- conformance with stated program goals and qualifications
 - quality and impact of proposed work
 - innovation and contribution to the field with proposed project
 - applicant's demonstrated competence and capability to execute the proposed work
-
