

Procedure

Forestry & Ophthalmology

Every year, one call for proposals will open in the two [funding programs](#). The final decision of the board is expected in about 6 months later, in November or March, respectively.

Next deadlines for applications:

- Ophthalmology – 7 May 2023
 - Forestry – 23 September 2023
-

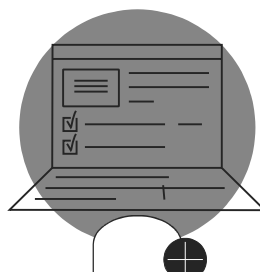

Please note that all applications must be submitted on our [web portal](#).

For details what information is needed to apply, please refer to the [application factsheet](#).

The [application guideline](#) summarizes the pages Eligibility / Procedure / After approval.

All relevant documents can be found in the [download section](#).
