AO/OF Research Grant

Dental professionals pursuing groundbreaking dental implant research may be eligible for as much as \$50,000 in research grants. Applications that address areas of research to enhance the public acceptance of implants are encouraged. To qualify, research grant proposals must be submitted by an AO member, faculty member or student member who conducts research in any academic dental institution (at least one person on the research team must be an AO member).

Apply in one of **THREE** categories:

- Basic Science
- Translational and Clinical Science
- Restorative Dentistry

Grants in the amount of \$50,000 will be given to the Best Basic Science, Best Translational and Clinical Science and Best Restorative Dentistry proposals as determined by the AO/OF Research Grant Committee.

First-place grant recipients are required to present their results at the 2025 AO Annual Meeting, as well as submit a research manuscript to *The International Journal of Oral & Maxillofacial Implants (JOMI)*.

Need more information?

For any questions about the AO/OF Research Grant, please contact **Kim Scroggs**, AO Director of Education, at kimscroggs@osseointegration.org or 847-725-2288.

**Applications are now being accepted for the 2025-2026 AO Research Grant.
The deadline for submission is January 31, 2025.**
